Dugdale understands that Anya is a network agent and joins a group to try to prevent the vaccine from being deployed by arson in a transport destauthor. Just as the group believes Letts' assistant is actually Mr Rabbit, head of the Network, Wilson and Jessica are moving to kill him. However, Wilson turns on Jessica, believing the Network's plan is necessary. Grant killed his assistant and gave Jessica time to stab Wilson before they could escape. With the vaccine destroyed and Mr Rabbit believed dead, the group is disbanded. Dugdale and his wife take Alice. Becky, Ian and Grant plan to go to the Scottish Highlands. Jessica's arranging a meeting with Milner to hand over the manuscript. At the train station, Becky is having a seizure - one of the signs that Deel syndrome has begun to take effect. It's a distraction for the others to board the train on their own. During her encounter with Milner, Jessica realizes that she is actually Mr Rabbit and burns the manuscript. Unprepared, Milner captures Jessica, discovering that the manuscript was nothing more than a tool to get her into the Net. Actually, her father hid. code for Janus in his greatest achievement – Jessica himself. Philip Carvel meets young Milner and, after discussing the beer overcrowding crisis, begins to get resources for him to develop Janus. While testing it on his reclusive son Pietre, he conducts a spooky experiment on a pet rabbit in an attempt to get an answer from the child. He believes he failed until his pregnant wife bought Pietre a rabbit he was about to kill. Carvevel's wife kicked him out. A few months later she dies in childbirth, and Carvel raises his daughter Jessica on her own. Five years later, Carvel went rogue and adapted the formula to Janus. Milner and his assistant are desperate to find out what he's changed and kill the few politicians Carvel wanted to help. Milner tortures Carvel, but he runs away and injects Janus into Jessica in secret. 8Epizoda 2Marc MundenDennis Kelly15 July 2014 (2014-07-15)0.79 Jessica is detained by the Network, which is trying to find out how Janus was changed. Grant is believed to be dead and being cared for by Ian, who is looking for Becky. Arby tries to live a normal life with his girlfriend and her young daughter, until lee is found to be alive and threatens to return to the Network. Wilson now works for the Network. Becky and Donaldson meet an incomprehensible old man, Anton, who is reportedly an expert on Deel syndrome. Ian and Grant find Becky, find her with Donaldson and Anton in storage just as the network arrives to kill Donaldson. Arby saves them and tells them to run. 9Epizoda 3Marc MundenDennis Kelly & John Donnelly22 July 2014 (2014-07-22)0.65 The gang is on the run and find a hacker, Ben, who shows them that russian flu is not invented but a real arming virus. Jessica escaped from the network's custody and found Dugdale. Ian and Becky realize anton philip carvel. They promise not to tell anyone, but Ian calls Milner, who is shocked to learn of Carvel's survival. Carvel sees the news on TV and shouts in English that Janus is real. When Lee arrives at Ben's home later that night, ready to kill him and his family, he discovers that Arby has already killed them. Arby made a deal with Lee in exchange for Donaldson. 10Epizoda 4Sam Donovan [9]Dennis Kelly & John Donnelly29 July 2014 (2014-07-29)0.71 In America, a network sleeper agent gets his orders and delivers a hidden canister to a local airport before killing his family and himself. Ian goes looking for Dugdale, just to find an excited Jessica in his house, They sleep together. Before she's away, she hides her phone in her coat. Milner shows Wilson a sleeper agent who, when ordered, will fly the plane and disperse the Russian flu throughout the United Kingdom, and explains that other agents will do the same. The worldwide pandemic will cause a rush for the vaccine, which will contain Janus. Becky tells Grant he's Anton Carvel, and they hire an interpreter to understand him. They found out about the sleeper's resources and how the flu is ready to spread. Milner took Ian's brother and told Wilson to shoot him. Jen and Alice are hostages to the network to ensure Dugdale's cooperation. Jessica told him Milner was Mr Rabbit. Milner shows up, and Jessica almost shoots her before Milner discovers her father is alive. Carvel tells them he changed Janus to preserve a certain race, but then Arby shows up and shoots the translator, and he's going to kill Ian and Becky before Grant stops him. Arby took Grant and Carvel. 11Epizoda 5Sam Donovan [10]Dennis Kelly5 August 2014 (2014-08-05)TBD Network sleeper agent Terrence is activated, and packs several different passports and money into a bag. Arby's taking Grant and Carvel to the country. Jessica has Milner track the phone she put in Ian's coat pocket (worn by Grant), which leads them to Carvel. Ian and Becky are going to Dugdale to get answers, but Wilson comes in and asks them where Milner is. Dugdale tells them about the phone, allowing Wilson to follow her. While Jessica can't get Carvel to reveal Janus' change, Milner makes him admit the truth: Janus' 'vaccine' doesn't work except for the Roma people, leaving everyone else to die of Russian flu. Carvel shot Arby, and Jessica took him to safety. Wilson arrives and asks Milner if she ordered the release of the flu. He says he did, but then he uses Wilson's phone to order Terrence to act. Wilson intimidated her into reverse her order, but Grant killed Milner. 12Epizoda 6Sam Donovan [11]Dennis Kelly12 August 2014 (2014-08-12)TBD Group is trying to find out who Terrence is and where he will be. Becky is running out of pills and plans to commit suicide, spending her final hours with Ian. After two more sleeper agents in the United Kingdom are found dead, Leah realizes that Terrence is about to release the flu immediately. Ian and Jessica cornered Terrence in the parking lot, where Ian killed him before opening the flu tank. Carvel tells Ian that the pills Becky takes are not medications, but just an addictive opiate, and she's perfectly fine. Ian rushes to tell Becky, but finds her unconscious after a suicide attempt. He revives her just as network agents come and take them away. Wilson informs Dugdale that he has planned new ways for the Network to distribute Janus without a flu pandemic, and threatens his family to push him to continue working with the Network. Wilson killed Lee and carved a Chinese symbol for 'rabbit' on his At the hospital, Arby wakes up.
